

United Age Group Track Coaches Association

2010 Youth Invitational

The Madeline Regina Willette
Scholarship Award Committee
Congratulates

Kasia Taylor

2010 Female Recipient

Kasia is a 2010 graduate of the **George Washington Carver High School of Engineering and Science** with a 3.73 GPA. This Fall she will attend **Mansfield University** in Mansfield, PA where her major field of study will be Wildlife Biology.

Kasia has been a UAGTCA participant in track and a participant in the Philadelphia Express Cross Country series for the last 10 years. She currently represents the **Juventus Track Club** of Philadelphia coached by **Derek Thompson**.

Kasia has proven to be one of the most versatile athletes to ever come through the UAGTCA program, running a variety of events ranging from the 200 meter dash to the 5,000 meter run. She was a USA Track & Field National Medalist in 2005, 2006 & 2007 proving once again that she is not only versatile, but talented as well. That versatility along with her academic achievement has made her a prize recruit for the Mansfield University Track and Field program.

Kasia's membership in the National Honor Society speaks to her academic ability but does not show her thirst for knowledge as represented in the many letters of recommendations that she received from former and current teachers and counselors regarding this award.

The *United Age Group Track Coaches Association* is happy to present their 2010 **Madeline R. Willette Memorial Scholarship** to its female recipient **Kasia Taylor**.
